Chamber Energy Program

As many of you are aware, energy prices continue to rise and doing business is becoming costlier in this inflationary economy. We are dedicated to helping as many Chamber members as we can to mitigate these costs.

Whether you are on the standard utility rate, in a government aggregation program, or are in a supply contract, we encourage you to take advantage of our utility bill review to check your rate and ensure you are not overpaying.

This service is free to Chamber members. Simply email your electric and natural gas bill to billreview@ceateam.com or fax them to 330-721-8111, Attn. Chamber Energy Program. (Check to see if the organization you belong to or company you work for is a member of the chamber). Also, if you need help sending in your bills, bring them to the Chamber and we will do it for you!

Actual savings may vary, and savings are not guaranteed.
