Affordable, reliable local residential and commercial garbage disposal service. Business hours are Monday through Friday from 9am until 5pm. Currently serving Conneaut, Kingsville, North Kingsville, Edgewood, Sheffield & Monroe Townships, and Saybrook areas (all of Route 20 in Ashtabula County with the exception of Ashtabula City and the City of Geneva). Give HolHart a call today!

LIGHTS OF LOVE 2020

COMMEMORATIVE ORNAMENTS FOR SALE

Due to COVID-19, the Chamber will host a scaled back *Lights of Love* celebration this year. The community is invited to gather for the lighting of the tree and reading of Lights of Love recipients and donors on Saturday, December 12th at 5pm at Conneaut Savings Bank. Social distancing and masks are required and participants are asked to bring their cell phones in lieu of holding candles. If you wish, you may stay in your care to listen to the ceremony by tuning your radio in to 97.5. We hope to have a small ensemble from the Conneaut High School Spartan Marching Band on hand to play background Christmas carols.

New this year is a commemorative 2020 ornament! For \$10, you will receive an ornament specific to the challenges we faced in 2020 and your listing in local newspapers. If you do not want to receive an ornament, "lights" can still be purchased for \$5 each with names listed in local newspapers.

Ashtabula County Residential Services

Hello fellow Chamber members and community! As some of you may be aware, we here at Ashtabula County Residential Services, The Maples, are a residential facility for individuals with developmental & intellectual disabilities.

Most recently, we have been working on renovating the Old Maples 1 home in North Kingsville to start a Habilitation & Vocational center for our residents. While we are still in the renovation process, we are eagerly thinking about the future – which is where you all come in!

Our Vocational program will be providing career education & job development skills to our individuals while offering outsourced services to our local community companies. We will be looking for small jobs throughout the community to bring into our vocational center for the residents. Some types of jobs we are looking for are:

- Small scale assembly
- Mailers or door hanger assembly
- Labeling or re-labeling of items
- Packaging of items or product
- **SO MUCH MORE!**

If your business has a need for a little extra help, we may be the key and would love to discuss building a relationship. Please don't hesitate to pass our information along to other local business owners that you may know as well.

We look forward to hopefully working with your company soon! For questions or more information, please call or email:

Brittany Winchell
